PRESS RELEASE :

Rev. Msgr. Bernard C. Mullaney and all the parishioners of St. Joseph's at Honey Creek Church, State Highway 46, Bulverde, Texas are proud to announce the completion of "THE HILL OF THE CROSS". Blessed and dedicated by Archbishop Patrick F. Flores on Saturday, June 1, 1985, THE HILL OF THE CROSS" is an outdoor Way of the Cross that has been built in a natural setting among the oak and cedar trees at the top of a hill overlooking the spire of the Church and the beautiful expanse of the Hill Country and the Guadelupe River Valley.

St. Joseph, the carpenter, was represented by the many men, women and youth of the Parish. They used the ancient adz to hand cut and square up the trees and the arms of the fourteen crosses; they hand peeled the native cedar, cut the cypress logs for the Medallions and the benches that were placed at each Station. They dug seventy-four holes in the rock, gravel and caliche of the hill, cleared the passage way, moved the honeycomb rock from the original Honey Creek Ranch, built the Sepulchre from large flat rocks that were dug from the quarry that supplied the stone for the building of the Church some 75 years ago.

And now, after the constant intercession of St. Joseph, the model of the laborer and the patron of happy homes, Monsignor Mullaney and all the Parishioners of St. Joseph's at Honey Creek in Bulverde, Texas are proud to offer to all persons of good faith who may pass their way, the opportunity to meditate, to pray and to receive the solace of the promise of Our Lord, Jesus Christ, at His Death and Resurrection.

Dear Msgr.,

I just read the beautiful story in "Today's Catholic" of your parishioners erecting the outdoor Stations of the Cross. I congratulate you on this. I look forward to seeing it the next time I an in San Antonio. Keep up the good work.

Sincerely,

James Vanderholt

# Hill of the Cross dedicated

**BULVERDE**--On Saturday, June 1, Archbishop Patrick F. Flores blessed and dedicated "The Hill of the Cross" on the grounds of St. Joseph's at Honey Creek Church, on State Highway 46, Bulverde, Texas. "The Hill of the Cross" is an outdoor Way of the Cross that has been built on the top of a hill approximately three acres in size. Each Station of the Cross is marked with eight foot tall Crosses, hand hewn from Texas native cedars. The benches for meditation and the Medallions, depicting the event that is commemorated at each Station, were cut from massive cypress trees that were recovered from the banks of the Guadalupe River after a flood. The pathway is lined with honeycomb rock, most of which came from the original Honey Creek Ranch. The Sepulchre is made from large flat rocks dug from the same quarry from which came the stone to build St. Joseph's at Honey Creek Church some 75 years ago. Rev. Msgr. Bernard C. Mullaney and all the Parishioners of St. Joseph's wish to offer to all persons of good faith who pass our way, the comfort, the peace and the solace of "The Hill of the Cross".

# EMS needs help
