CROSSING THE ON THE WAY ¡ÁNDALE! FINISH LINE!

For the past two years the **On the Way – ¡Ándale! Capital Campaign** has been raising funds in the parishes throughout the Archdiocese of San Antonio with a goal of \$60 Million to renovate existing structures, expand facilities for our growing community, and to purchase and build new locations for parishes, schools and campus ministry. To date, we have received over \$54 Million in generous pledges and gifts! **THANK YOU** to everyone who has contributed to the campaign! We are very close and hope to reach our goal before the end of this year: **Will you help us Finish Well** by making your pledge and adding your contribution to the total?

CATHOLIC PRAYER FOR CATHOLIC FAMILIES

Catholic Prayer for Catholic Families, Loyola Press

As parents, we have a very special and unique relationship with our children. In order for this relationship to continue growing and developing, we need to keep the lines of communication open. Without communication, relationships suffer.

God wants to be in communication with his children, just as any parent does. Our relationship with God, just as our other relationships, requires communication to remain healthy. Another word for this communication with God is prayer. God is always with us, inviting us to build a relationship with him through prayer. It is also important, when providing opportunities for our children to develop a lifelong practice of prayer, for them to see an example through our own prayer life.

Often times, we need guides for many things in life. Maps, tour guides and study guides provide direction in our everyday lives. Over the next few weeks, we will provide some direction for you and your children as you develop and maintain a relationship with God through a life of prayer.

What is prayer?

God invites you to come to him with your thoughts and needs. The time that you spend aware of God's presence is called prayer. By taking time to become aware of God's presence, you can be open and talk with him about whatever is on your mind and in your heart. You don't need special words to talk to God. Keep it simple. In fact, a great teacher of prayer, Saint Ignatius of Loyola, taught that conversation with God should resemble the way that one friend speaks with another; God knows you and understands. He listens to you because he loves you as a parent loves a child.

Take a few minutes and talk with God.
