

THE CREED

A new film series blending documentary conversations and dynamic talks, Bishop Robert Barron guides viewers into the depths of the Nicene Creed, a fourth-century statement of faith that has profoundly influenced Christian spirituality, theology, and liturgy in both the East and West. Explore the meaning of “belief” and whether it contradicts reason; the creative love of God the Father; the shocking mystery of his Son’s Incarnation, and the great drama of his Crucifixion and Resurrection; the life-giving power of the Spiritus Sanctus, or “holy breath,” shared between them; and the mystical reality of the Church, which calls all of humanity out of the world of sin to receive forgiveness and participate in Christ’s divinity—not only in the next world but here and now

ON THE ROSARY OF THE VIRGIN MARY

Dive into the timeless riches of the Rosary from the perspective Pope Saint John Paul II’s Apostolic Letter written in 2002, Rosarium Virginis Mariae. One of the greatest gifts of our Faith is our relationship with Mary, the Mother of God. The Rosary invites us into deeper prayer with Jesus through the meditating on his life and mission. If you have never prayed a Rosary or if you pray one every day, this study will invite you deeper into the mystery of the Incarnation, the life of Christ, reignite your relationship with Mary and bring graces and blessings into your life and the lives of those around you.

ANGELS THROUGHOUT THE AGES

We hear Scripture readings that tell stories of angelic interventions in history. There's a flip side, of course, to the angels. There are also the demons.

In these lessons, we're going to meet some of the angels and demons featured in the Bible as distinct spiritual persons, with names and identities. We'll treat them like real people we would actually meet in our lives, because that's how they're portrayed in the Bible. Who are they? What do they do? And what do their names teach us about who they are?

Angels Throughout the Ages is a fascinating study on many types of angels, including the fallen angels (demons), and the three Archangels. Some of these sessions cover demons and their evil effects in the world.

JESUS, THE WAY, THE TRUTH AND THE LIFE

The marvelous treasures of the Catholic Faith—the Eucharist, Mary, the saints, and the Creed—are all centered on a single figure: Jesus Christ. Jesus is more than a historical or theological figure. He is our Savior, our Redeemer, our Lord, and our God. While many of us already know a lot about him, how well can we say we really know him? Filmed on location in the Holy Land, *Jesus: The Way, the Truth, and the Life* is a new and fresh look at Jesus—who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life on him as you come to know and love him in an ever-deeper and more intimate way.
